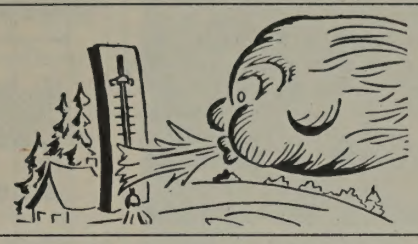
Queen Of Carnival Picked By Students



Two Dances, Concert Spark Winter Weekend

Carol Ann Gehling Reigns With Court

By BOB LEVINS

Mr. Groundhog has already told us that Old Man Winter will reign for six more weeks in 1953 but for the first weekend in February he will have to yield his scepter to Miss Carol Ann Gehling whom the students of St. Michael's have elected as Queen of their fifth annual Winter Carnival.

Lovely Miss Gehling was crowned Friday evening in the midst of the gay festivities of the Sno-Ball at Austin Hall. Her escort, John Kenny, sat next to her on the royal throne as King. The regal pair was surrounded by the dazzling Court of Honor which included Miss Margaret Dougherty, Miss Joan Gaffney, Miss Gloria Heffernan and Miss Hedy Heidacher.

Queen Carol Ann is a blue eyed blonde, and Needham High School senior of 340 Hunnewell Street, Needham Heights, Mass., She represented St. James Hall. King John lives at 495 South Street in Needham.

Margaret Dougherty of 417 East 137th Street, Bronx, N.Y., is a blue eyed blonde who represented St. Leo's Hall. Her escort was Dick Stokes, 1565 Rowland Street, Bronx, N.Y.

Joan Gaffney, brown eyed brunette and Cathedral High School senior living at 360 North Avenue, Burlington, represented Ryan Hall 1V. She was escorted by Jack Sheehan, 16, Harrison Street, Fort Edward, N.Y.

Gloria Heffernan of 534 Montville Avenue, Riverdale, N.J., represented St. William's Hall. A blue eyed blonde, she was escorted by Ted Demauro, 221 Hancock Street, Springfield, Mass.

Hedy Heidacher, hazel eyed brunette alumna of the University of Cincinnati living at 1659 Anderson Ferry Road, Cincinnati, was escorted by Jim Roche of 731 Lindell Avenue, Cincinnati. She represented Ryan Hall 1.

The Outing Club, sponsors of the annual Winter Carnival, has planned an exciting schedule for the remainder of the festival. On Saturday Queen Carol Ann will judge the snow sculptures (providing there are any.) In the afternoon Bill Cofrances and his All-Stars will present a jazz concert. That evening there will be a basketball game with Colby at Memorial Auditorium followed by an informal dance in Austin Hall.

On Sunday, after the traditional skier's Mass and the blessing of the skis, there will be all day skiing at Stowe-Mansfield.

Her Royal Highness, Carol Ann Gehling

Miss Margaret Dougherty

Miss Joan Gaffney

Miss Gloria Heffernan

Miss Hedy Heidacher

COFRANCES LEADS 'ALL-STAR' TALENT

Music for the 1953 Winter Carnival will be provided by an aggregation under the direction of Bill Cofrances, S.M.C. alumnus of 1951.

The "All-Star" combo will consist of a group of men who represent some of the best-known talent in this area.

Following the Ball on Friday an informal dance is slated Saturday evening. But probably the most spectacular musical event will be the Jazz Concert on Saturday afternoon.

"DRAMATIS PERSONAE"

On first trumpet will be Paul Jary, the leader of the U.V.M. "Catamounts" and formerly with Sam Donahue.

The "Catamounts" are also lending Tempi Connors, an alumnus of Sonny Dunham's Orchestra, who will assist in the brass section.

The rhythm section will include Gene Morin, Accordion; Stillie Millington, Bass and Burt Susco, drums.

Bill Cofrances who has to his credit the 2nd tenor spot with Ted Fiorito some years back directed the first Jazz Concert on St. Michael's campus in 1950 and it has now become a regular feature during the annual Winter Carnival.

Summer Session To Feature Symposium

St. Michael's College will sponsor a symposium on Orestes Brownson during its summer session.

Dr. Jeremiah K. Durick, director of the summer session, said the symposium on July 17 and 18 will mark the sesquicentennial of Brownson's birth at Stockbridge, Vt., and the centennial of the Burlington diocese.

Brownson crowded many careers into the full life that began September 16, 1803, and ended at Detroit, April 17, 1876. He is buried beneath the chapel at Notre Dame University.

NOTED CONVERT

A minister in many Eastern pulpits, a philosopher who railed against marriage, property and religion, an editor who was blamed by President Van Buren for his failure to be re-elected for a second term, Brownson became a Catholic in 1844.

HONORED BY POPE

Turning his vigorous pen to the defense of the Catholic church, he earned the praise of the Plenary Council of Baltimore in 1849 and of Pope Pius IX in 1854. He published "The Convert," in 1857.

Brownson was a contemporary of George Ripley, A. Bronson Alcott, Thoreau, Emerson and other intellectual leaders of the country in the mid 19th century. Recent biographies have been written by Arthur Schlesinger, Jr., and Theodore Maynard.

"3 MORE CARNIVALS"

Maybe you don't agree that mid-year examinations mark a happy season in the school year but they do at least indicate the advent of something to which most St. Michael's students can look forward. Now most of the freshmen can look at the upperclasses with a little envy. But then maybe the upperclassmen can look down on some of the frosh with envy also.

This 1953 Winter Carnival is the first of four big carnivals for the young gentlemen of the freshman class. Are you upperclassmen taking in this big winter event or are you letting the younger college men show you up?

This year's candidates for "Queen of the Winter Carnival," looked mighty nice to us older fellows, but the majority of the candidates seem to have come from the Class of '56. The freshmen seem to be showing up the other classes in their appreciation of the fair sex. An optimistic viewpoint would state that this is but the first of four real big Winter Carnivals for the present freshmen. At any rate it looks as if they really made use of the time we upperclassmen spent in the exam "grind."

Everyone who assisted in the preparation of this year's Winter Carnival should be justly proud. The amount of work done from the first draft to the opening of the doors Friday evening, involved much planning and actual labor. Here lies the real spirit of the Carnival. While the thanks and gratitude of all Michaelmen are extended to those connected with the presentation of the Winter Carnival, the big hearts of all are opened to receive those who make the Carnival event what it is, the dates. We hope that this event will linger long in the memory of all the girls and that each will retain a most pleasant association with St. Michael's. Many events have been booked with you in mind and we hope that you will take in all that your interests follow.

Though there can be but one queen to rule over the entire event, each girl is a queen in someone's eyes. It is this fact that makes the Carnival what it is.

A happy weekend to all!

SKI FEVER

(with apologies to John Masefield)

I must go down on my skis again,
To the distant valley below,
And all I ask is a solid base
With an inch of powdery snow,
And the rhythmic swing and the fleeting fall
And the giddy descent you're making,
And a splendent sheen on the mountain's face
As again the climb you're taking.

I must go down on my skis again,
For the call of the shifting snows
Is a wild call and a clear call
That many a skier knows;
And all I ask is a wooded knoll
With the white pines flying,
And the flung mist in a gentle plume
That far behind is lying.

I must go down on my skis again;
Through the quickening, shimmering space.
To the sun's way and the sky's way
With the sprightly wind in my face;
And all I ask is a lucky day
Without a slip or fall,
So I can tell a merry yarn
With never a lie at all.

Letters Wanted

Double Retreat Closes Semester

This year as in the past, Saint Michael's College offered its students, as part of the curriculum, a three day retreat. The purpose of this retreat was to help in the development of the keen sense of moral responsibility, which should be a primary characteristic of every Michaelman.

Two Passionist priests were invited to give the retreat this year---Fathers Busby and Carey. To relieve the congestion which has developed with the growth of Saint Michael's, Father Busby held his conferences and spiritual exercises for the Freshmen in the college chapel, while the upper classmen were under the direction of Father Carey in Austin Hall.

The retreat opened Thursday evening, following the semester exams, with the first conference and benediction. Father Carey proved through history the divinity of the Catholic Church and its members with God. Father Busby challenged the difference of the Freshmen's beliefs and relationships with God.

Friday and Saturday were well taken up with daily Mass four conferences a day, benediction and preparations for confession. These kept the student body well occupied in their spiritual searchings and left little time to average preoccupations. The retreat ended on Sunday with Mass and communion, followed by the papal blessing and a final short sermon. Father Busby and Father Carey both urging the students to frequent the sacraments often, to use the knowledge of God and of themselves, which they had discovered during the retreat,

MURPHY TO TAKE COUNCIL REINS ROTH, OTHERS FILL NEW POSTS

The Student Council, meeting this week for the first time under the new president, Owen Murphy, elected John Roth to fill the vacant vice-president seat. Roth, a senior, has been a member of the Council for the past two years.

OTHERS ADDED

The new members of the Council attended their first meeting and were introduced as follows: John Kelly, freshman class president, Frank Carmichael, Jerry Kelly, and Jack Crean, freshman class representatives, Paul Balcon and Ed Carrier, senior class representatives, of the Shield.

" DIMES " COLLECTION

It was reported by Bill Doyle, recording secretary, that $32.28 was collected for the March of Dimes. Marty Walsh headed the collection.

Frank Barrett was appointed to investigate the problems confronting the Pen and Mike Club due to the criticism which is currently being spread.

Ken Kirby was appointed to see if a different arrangement could be worked out for the posting of marks this June.

To aid in the support of the March of Dimes, a collection was taken on campus recently. The Mission Crusade, under the direction of Marty Walsh, undertook this collection hitting every hall on campus as well as donating some of its own funds.

All told the final figures tallied at $33.80 and the Crusade wishes to express its thanks to the students and others who aided in the success of this drive.

Individual halls have scored themselves as follows:

Waiters Fest February 11

The waiters' banquet originally scheduled for December 17th, has been rescheduled for Wednesday, February 11. This dinner, which has long been a custom at St. Michael's, is given each year for the student waiters and dishwashers, who are employed in the college dining hall.

GUEST SPEAKERS

Bill Doyle, headwaiter, will in his own inimitable fashion act as master of ceremonies, and among other things will introduce the guest speakers for the evening. These will include our Most Reverend President, Father Moriarty; our treasurer Father Stankiewicz; Mrs. DuFresne, who is in charge of the dining hall; and the business manager, Mr. Buchan.

TWO AWARDS GIVEN

Pete Chiacchieri, assistant to Mr. Doyle, has appointed three waiters, Marty Walsh, Paul Dumais, and Bob Kuester, to head the committee in charge of the preparations. One of this committee's job is to select two waiters and a dishwasher, to receive awards for their excellent work throughout the previous year.

Say You Read It In The Michaelman

A major step forward was taken by the Athletic Department this year with the addition of a ski team to the roster of winter sports at St. Michael's. Actually the organization was formed by a group of the fellows themselves, who then successfully sought out the help of Captain Thomas Cootey of the USAF. The captain, a skier while at Norwich and a capable hand at the sport agreed to act as coach. Still more progress was made when St. Michael's joined the Eastern Intercollegiate Ski Association and the United States Eastern Amateur Ski Association. The membership increased encouragingly and it wasn't long before workouts began. The initial practice sessions consisted in roadwork. When weather conditions allowed, however, the squad moved to the Underhill Ski Bowl, where Captain Cootey began the real job of molding the skiers into a team.

LABRAKE ELECTED CAPTAIN

The members soon voted in Don LaBrake as captain and began to apply themselves to the various events in which they would participate. The usual meet consists in downhill, slalom, cross-country and jumping. The downhill and slalom are handled by Bob O'Brien, Lou Paini, Dick Montgomery and Don LaBrake. Probably the most gruelling event is cross-country, which can run anywhere from seven to thirteen miles, and this is the job of Gasser, Drew, O'Neill and Bolagnani. Jumping, the event that requires plenty of experience and know-how, falls on the shoulders of LaBrake, O'Brien, Paini and Willett. With this set-up the team entered several meets early in the season, not so much to bring home trophies as to gain the needed experience of competition. Next weekend, however, the squad will get its first opportunity to show the results of the past few months. It will be Winter Carnival time down at Northfield and stiff competition can be expected from the Cadets along with Yale, Harvard and M.I.T.

The Norwich meet could be noteworthy from another standpoint. Captain Cootey was recently taken ill and will probably be unable to return to the team for the remainder of the season. It is the opinion of this corner that the squad and their new coach, Mr. Dirmaier, would like nothing better than to please the Captain by making a good showing against his alma mater.

Hoop Circuit Tightens

College Parkway moved one step closer to the league leadership when they knocked off the Pajama Five in the intermural competition this week. The win put them in a tie with St. William's for second place, both teams sporting 5 and 1 records. Top honors, however, are still held by St. Johns who remain undefeated.

The Pajamas led throughout the first half, holding a 13-9 advantage going into the third period. Playing with only five men soon proved a handicap to the P.J.'s and the boys from the Parkway ran off with a 35-19 victory. Fran Hoben and Bob Levins led the winners, while Dave Foley and Bob Leahy championed the Pajama Five.

Old Hall III threw twelve men at Burlington Off-Campus, but failed to stop the Burlingtonites fast five man squad. The lead varied all through the game, but when the final whistle sounded, the Old Hallers found themselves on the short end of a 29-27 heartbreaker. Poulin and Gregoire threw in a dozen apiece for Burlington, while Keene and Bolognani each tallied six for the losers.

It was big Matty Burke who set the pace with 26 for St. Leo's in their win over Ryan I, by the score of 48-21. They established a lead early in the first period and never relinquished it for the remainder of the contest. The vain attempt of the Ryan'ers was sparked by John Wood's twelve points.

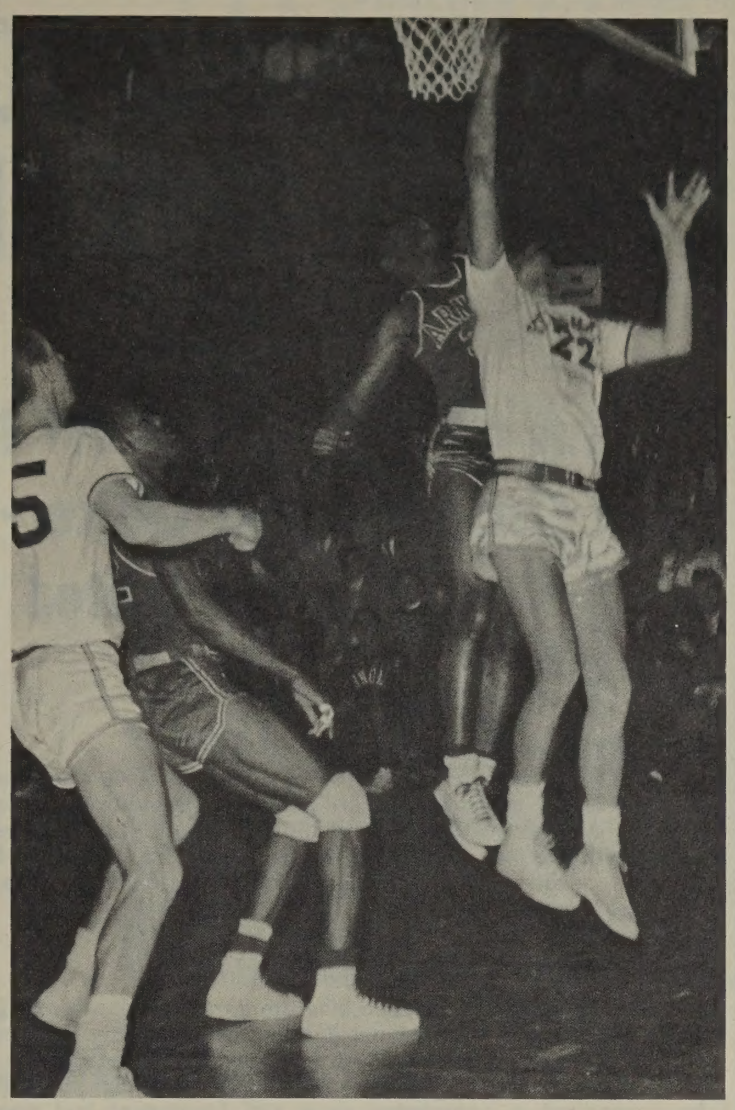
Knights Face Colby



Bob Young taps one in for the Knights as Murphy stands by. Young hit year's scoring high of 29 against Arnold.

Colby, the top team in the State of Maine Conference, will invade Burlington's Memorial Auditorium on Saturday evening in an attempt to put down St. Michael's, who holds the same Conference position in the Green Mountain State. The Purple Knights of St. Michael's are leading the four Vermont schools with a 3 and 1 record in state play. Up in Waterville, Colby tops a quartet of Maine schools with a perfect 6 and 0 slate. This game is one of the highlights of the St. Michael's Winter Weekend and should draw quite a large crowd.

COLBY OFFENSE STRONG

Coach George "Doc" Jacobs reported that "the boys would get as much of a lift out of winning this one as they did in beating both Brandeis and Vermont." The Knights entered those contests as rather hapless underdogs but nevertheless succeeded in pulling both of them out.

In winning 13 and losing only 4, Colby's offense is almost 13 points stronger than that of the Knights, but the defense is another story. The St. Michael's Barry, Witte, Murphy defense has limited opponents to 66.3 in 14 outings. The White Mules also have an edge in experience, since all five starters held the same positions last year. Actually the only holdover from the starting five of last year is Captain George Barry, All New England All-Catholic forward.

REBOUNDING NEEDED ASSET

The Knights will depend on 6' 4'', Bob Murphy, 6' 2'', Bob Young and the number 2 center, Chris Kelly, 6' 5'', to offset the Colby rebounding power. Both Murphy and Young have been improving as retrievers all year. And, adds Coach Jacobs, "Murphy has done a great job in the last four or five games. He making himself plenty tough handle under the boards, and can give a good account of himself against anyone."

The Knights' offense has found itself again after sagging a bit in the pre-exam games. Forward Bob Murphy hit the year's individual high with 29 against Arnold. At the same time guards Mike Carr and Hank Witte have begun to tally more frequently and consistently.

KNIGHT CAGERS SPLIT IN WEEK'S CONTESTS

In the court action over the past week, the Knight cagers split a pair of contests. Against visiting Arnold College of Milford Conn., the Knights wound up on the lesser end of a 73-67 count. They soon bounced back, however, and delivered a stunning 69-49 defeat to A.I.C. down in Springfield.

In the Arnold contest, a tall lanky center by the name of Al Clinkscales, superlative play by reserves, and a highly efficient fast break proved to be the deciding factors. Clinkscales tossed in 28 points for the victorious terriers. But even this was topped by Bob Young's 29 point effort, which set a new SMC high for the season. The Knights trailing by 10 markers at the half once again flashed their late-hour lightning and cut the lead to three points with a minute to go in the third quarter. Arnold held onto this narrow margin throughout the final stanza. Young after scoring eight points in the last quarter fouled out with three minutes to go, and was soon followed to the bench by George Barry. This followed by Arnold's Larry Stone's jump shot and Clinkscales eleventh field goal iced the game for the visiting quintet.

DOWN YELLOW JACKETS

At AIC, the Purple Knights regained the winning road by rolling over their hosts 69-49. The Yellow Jackets were never closer than a 13 point deficit once the SMC attack began to roll. They were behind 22-5 at the conclusion of the first quarter and 43-30 at the half. When Mike Carr fouled out in the second period, Dick Spreer proved an able substitute and tallied nine points. Once again Bob Young and Captain George Barry paced their team-mates. Barry in addition to scoring 17 markers dominated the boards with his rebounding ability. Young was high for the Knights with 19, while Terry Clark shone for the home club with 14 points.

INDIVIDUAL SCORING:

SPORTS SPECIAL ?

Before thirteen screaming fans, the SMC Dining Hall Waiters gave the Kitchen Dishwashers a thorough scrubbing last week, out dribbling their co-workers to the tune of 43-37.

In one of the smoothest and cleanest contests ever played in the St. Michael's gym, Bob "Cousy" Kuester poured 14 points through the nets to lead the garcons attack. The high man for the night, however, was that little Irish plate-scraper, Teddy O'Demauro, who hit for 17 points in a losing cause.

Paul Kehoe, Dick Nolan, Bob Levins, John Druke and Bob Bolster were vital clogs--er-er- cogs in the romp over the lowly dishwashers. The losers boasted such stars as Pete Zuk, John Carroll, Bob Donnelly, and Mike Seeley. Spider Loghran also played for the dishwashers.

Rumor has it that some fella named Doyle is still in the gym trying to get his first two points for the tray carriers.

Another game (?) is planned for the near future. Don't miss it.

NEGROES and CATHOLICISM

For every new member gained by the Church among the nation's Negroes through birth during the last decade, two others have gained through conversion.

Since the census of 1940, the Negro population has increased 15.9%, but the increase in Negro Catholics for the same period has been 52.5%.

These figures have been announced by Rev. J.B. Tennelly, S.S., secretary of the Commission for the Catholic Missions Among the Colored People and the Indians.

It has also been pointed out, that among the slightly over 300,000 Indians living in the United States, the spiritual welfare of the 100,000 Catholics among them is quite well provided for. The Church has a "solid foothold" among the Indians.

Members of the SOCIETY OF ST. EDMUND are numbered among the 637 priests attached to the 455 churches provided especially for service to Negroes. This includes an increase of 10 during the past year. The Negro population of the country has been estimated at over 14,750,000, which also includes some 9,462 adult converts for the past year. Proving the fruitfullness of the contacts with non-Catholic Negroes.

In the religious life man more purely lives; less often falls; more promptly rises; walks more cautiously; more safely rests; dies more happily; is free earlier from cleansing fire; and gains withal a brighter crown. *(St. Bernard.)* The Christian teacher lights the triple candle of faith and hope and love in immortal souls, there to burn for God's sake and never to be quenched; its light typifies his devoted labors, and a noble sacrifice, continues his work not in one, but in many souls forever.

IF YOU CAN WIN THESE WINGS YOU CAN EARN OVER $5,000 A YEAR AFTER GRADUATION

Important facts about the opportunities for YOU as a Commissioned Officer—Pilot or Aircraft Observer—in the United States Air Force

Must I be a college graduate to be a Pilot?

No. But you must have completed a minimum of 60 semester hours or 90 quarter hours toward a degree. In addition, under the new Aviation Cadet Pilot training program, you must be between the ages of 19 and 26½ years, unmarried, and in good physical condition—with high requirements for eyes, ears, heart and teeth.

How long before I get my commission?

60 calendar weeks. You will receive the finest aviation training in the world—training that not only equips you to fly modern military aircraft but prepares you for executive and administrative work as well. At the completion of your training, you will have acquired a commission as a 2nd Lieutenant and won the coveted silver wings of the United States Air Force.

Where do I take my training?

Pre-flight training will be at Lackland Air Force Base, San Antonio, Texas. Primary, basic and advanced training will be taken at any one of the many Air Force bases located throughout the South and Southwest.

What happens if I flunk the training course?

Every effort is made to help students whose progress is unsatisfactory. You can expect extra instructions and whatever individual attention you may require. However, if you fail to complete the course as an Aviation Cadet, you will be required to serve a two-year enlistment to fulfill the minimum requirement under Selective Service laws.

What pay do I get as an Aviation Cadet? And after?

As an Aviation Cadet you draw $109.20 a month pay. In addition, you get summer and winter uniforms, flight clothes, equipment, food, housing, medical and dental care and insurance . . . all free. After you are commissioned a 2nd Lieutenant you will be earning $5,300.00 a year—with unlimited opportunities for advancement.

Are all Aviation Cadets trained to be Pilots?

No. You can choose between becoming a Pilot or an Aircraft Observer. Men who choose the latter will become commissioned officers in Navigation, Bombardment, Radar Operation, or Aircraft Performance Engineering.

Do Aircraft Observers get flying training, too?

Yes. Aircraft Observer Cadets receive approximately 200 hours of "in the air" instruction. The primary phase of Aircraft Observer training is the same for all branches (navigation, bombardment, etc.). The basic and advanced phase of training varies, depending on the specific course you wish to pursue.

What kind of ships will I fly?

You will fly jets. The Pilot Cadet takes his first instructions in a light, civilian-type plane of approximately 100 horsepower, then graduates to the 600 horsepower T-6 "Texan" before receiving transition training in jets. You then advance gradually until you are flying such famous first-line aircraft as F-86 Sabre, F-49 Scorpion, B-47 Stratojet, B-50 Superfortress. Observer Cadets take flight instructions in the C-47 Dakota, the T-29 Convair, and the TB-Superfortress before advancing to first-line aircraft such as the F-89 Scorpion, B-47 Stratojet or TB-50 Superfortress.

Will my commission be in the Regular Air Force or Reserve?

Aviation Cadet graduates, both Pilots and Aircraft Observers get Reserve commissions as 2nd Lieutenants. Some outstanding graduates in both programs will be offered Regular commissions.

How long must I remain in Service?

After graduation as an Aviation Cadet, you are tendered an indefinite appointment in the United States Air Force Reserve and are called to active duty with the United States Air Force for a period of three years.

What recreation and leisure time will I have as a Cadet?

Discipline will be rigid—especially for the first few weeks. However, it is not all work. You'll find swimming pools, handball courts, movies and other forms of recreation on the post. After your first 4 months, your commandant may allow you to apply for overnight passes.

Where will I be stationed when I get my commission?

You may be stationed anywhere in the world . . . Hawaii, Far East, Europe, Puerto Rico, elsewhere. During your tour of duty, you will be in close touch with the latest developments in new flying techniques. You will continue to build up your flying experience and later, should have no difficulty securing a CAA commercial pilot rating.

Your future is assured if you can qualify! Here's what to do:

1. Take a transcript of your college credits and a copy of your birth certificate to your nearest Air Force Base or Recruiting Station. Fill out the application they give you.
2. If application is accepted, the Air Force will arrange for you to take a physical examination at government expense.
3. Next, you will be given a written and manual aptitude test.
4. If you pass your physical and other tests, you will be scheduled for an Aviation Cadet training class. The Selective Service Act allows you a four-month deferment while waiting class assignment.

Summer Players Return Tuesday

K & K SPONSORS PLAYERS, INC.

Pat Barnett, returning with players.

PLAYERS INCORPORATED, International Repertory Company, and the very popular resident company at the Saint Michael's Summer Theater for the past two seasons, will appear in Shakespeare's rollicking comedy LOVE'S LABOR'S LOST on Tuesday, February 24, at 8:15 P.M. in Austin Hall.

AND STILL MORE

One of the foremost theatrical groups in the country today, PLAYERS INCORPORATED was founded with the belief that the laughter and tears of professional theatre need not be confined to the New York area. From San Antonio, Texas, to Burlington, Vermont, the PLAYERS have toured major cities and hamlets.

They have played before people who have never seen a professional play. Whether it is on an opera house stage in St. Louis or in a quonset hut in Newton, Mass., they are selling Shakespeare to receptive, eager and enthusiastic audiences. Everywhere the response has been the same -- this is what America wants, and they want more of it.

KOREAN TOUR

But the greatest critical acclaim the PLAYERS have reveived in their three crowded years came last season when, under the auspices of the Department of Defense, they toured army bases in Japan and Korea. The six week string of performances the company gave in the Far East war zone easily ranks as its most gratifying experience. The thunderous applause of the troops, the realization that they were enjoying themselves to the fullest, and that -- for the moment at least -- the war was far, far away, proved that these men, like their friends and relatives at home, believed in what the PLAYERS were doing simply because they were delightfully and thoroughly entertained.

Among those returning with the cast of LOVE'S LABOR'S LOST are several PLAYERS who have already established themselves here at Saint Michaek's. They are Gil Rathbun, Hank Sutton, Naomi Vincent, Pat Barnett, and Keith Kirby.

Student tickets are $.50 and can be obtained from a representative in your hall.

ALPHA NU INDUCTION

Rev. Lucien Dufault, O.M.I., dean of the department of philosophy at Oblate College and Seminary, Natick, Mass., will be the Delta Epsilon Sigma lecturer at St. Michael's College this year.

"MODERN DILEMMA"

The Alpha Nu Chapter of Delta Epsilon Sigma at St. Michael's College will induct 16 seniors and three alumni into the Catholic honor society on Monday, Feb. 16. The lecture, open to the public, will be in Austin Hall on campus. His topic will be "The dilemma of education in a changing world."

OBLATE COLLEGE ALUMNUS

Fr. Dufault is chairman of the American Catholic Philosophical Association for the New England States and has been professor of philosophy at Oblate College since 1936.

Fr. Dufault who was rector of the college from 1946 to 1950 studied at the Angelicum Seminary in Rome from 1930 to 1936 and did post graduate work at Laval University, Que.

ALUMNI INDUCTED

The alumni who will be inducted are: Very Rev. Francis E. Moriarty, S.S.E., president of St. Michael's College; Rev. Mark Tennien, M.M., author of "No Secret is Safe," and Hugh O'Brien, secretary for penal affairs for Gov. George N. Craig of Indiana.

TEACHER EXAMS FEB. 14th

The National Teacher Examinations, prepared and administered annually by Educational Testing Service, will be given at 200 testing centers throughout the United States on Saturday, February 14, 1953.

MASTERY OF SUBJECTS

At the one-day testing session a candidate may take the Common Examinations, which include tests in Professional Information, General Culture, English Expression, and Nonverbal Reasoning; and one or two of eight Optional Examinations designed to demonstrate mastery of subject matter to be taught.

The college which a candidate is attending, or the school system in which he is seeking employment, will advise him whether he should take the National Teacher Examinations and which of the Optional Examinations to select.

APPLICATION FORMS READY

Application forms and a Bulletin of Information describing registration procedure and containing sample test questions may be obtained from college officials, school superintendents, or directly from the National Teacher Examinations, Educational Testing Service, P.O. Box 592, Princeton, New Jersey.

Completed applications, accompanied by proper examination fees, will be accepted by the ETS office during November, December, and in January so long as they are received before January 16, 1953.

Retreat

to remain steadfast in their resolutions and to continually ask Our Lord and the Blessed Virgin to help us in our daily struggle against mediority and secularism.

Although a retreat is what the individual makes it and puts into it, judging from the large number of students at Mass and receiving communion, the retreat seems to have been successful and the work and zeal of the two reverend and strikingly humble priests was well received.

ST. PAT'S

One of the biggest scoring sprees of the year occurred in the St. Pat's - Pre Theo contest which saw St. Patricks emerge on the top of a 70-28 count. Jim Schaefer dropped in 29 for the victors, with Kendrick, Diamond and Galuppo also hitting double figures. Ray Maloney, who at the present leads the league in scoring, tallied 16 points for the Seminary Hall boys.

Soc. Club

Tuesday evening, at St. Michael's College, the Sociology Club showed two films to the members of the club and to a few non-members. The first was entitled, "You Can Change The World," and the second, "Youth In Crises."

A FUNDAMENTAL FACT

The first was, what you might call, a substitute for a talk on the Christopher movement by Father Keller. It was depicted by such movie stars as, Jack Benny, Paul Douglas, Ann Blyth, and Bing Crosby, just to name a few. The theme can be divided into two parts: first, to "alert" people in all walks of life to the fact that the great fundamental truth of belief in God is slowly but surely disappearing, not only from the American scene, but over the world as well, and secondly, to "spark" as many as possible to do something about it.

OUR MODERN VICTIMS

"Youth In Crises" tells the story of what happened and is happening to our young people because of the disruptions and excitement of war. It brought out the point that "Juvenile Courts" are necessary in order to *help* these individuals. These young are not, intrinsically the cause of their wrongdoings but rather they were the victims of family problems. If the juvenile court were forgotten then the net result would be, criminals, in a few years.

A QUESTION OF DUTIES

After the two movies were over, a discussion was held on the latter film. After a general review, once again the aspect of the juvenile court eas brought into the spotlight, but this time the setting was the State of Vermont. The opinion of all, centered around the following question.

"Does the State need this type of court system or not? Are we going to step aside and forget the future leaders of America? Are we going to neglect our duties which we are obligated to perform? Shouldn't we help these unfortunate people now instead of submitting them to a penal institution later on?"

Are we going to step aside and forget the future leaders of America? Are we going to neglect our duties which we are obligated to perform? Shouldn't we help these unfortunate people now instead of submitting them to a penal institution later on?" These are some of the questions asked at the discussion.

The members felt that the only solution possible would be the introduction of a Juvenile Court System in the legislature a year or so ago.

OWEN MURPHY APPOINTED NEW COUNCIL PREXY

Owen J. Murphy, Jr., steps into office with a handshake from the Council Moderator, Fr. D'Agostino.

Owen J. Murphy, Jr., Student Council Vice-President, has taken over as president of the Council for the remainder of the year.

HUZZA

Murphy, a native of Worcester, Mass., who was Editor-in-Chief of the MICHAELMAN during his Junior year dropped the post to Chris Carey to take over as Editor-in-Chief of the *Shield*. As a result of his outstanding achievements during the past years here at St. Michael's, Murphy was elected this year to *Who's Who of Students in American Colleges and Universities.*

V. P. ROTH

Elected to take his place as vice-president of the Council is John Roth from New York City also a senior and a *Who's Who* student. Roth co-founded the industrial Relations Club and has been a very active member of the N.F.C.C.S.

Herb Fuller, outgoing president finished up here at St. Michael's last month, but will be back to graduate with his class in June. Both Murphy and Roth will serve only for the remainder of the year, as they too, graduate in June.

Nothing-no, nothing-beats better taste

and **LUCKIES TASTE BETTER!**

Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette . . . for better taste—for the cleaner, fresher, smoother taste of Lucky Strike . . .

Be Happy-GO LUCKY!

I've tried all kinds of cigarettes
To find the one that's best—
It's Luckies' cleaner, fresher taste
That way outranks the rest!
